**VILLAGE PROPOSAL FORM FOR EGBENGWU WATER PROJECT**

**Village of \_\_\_\_\_ Egbengwu, Nimo**

We, the members of \_\_\_\_\_ village in Egbengwu, Nimo have conferred and agreed to participate in the Egbengwu Water Project sponsored by Chimnyelugo Charities and Scholarships Foundation (CSSF).

As one of the requirements to participate in the water project, we have agreed to donate the piece of land shown in the attached map for the project at no cost to CSSF. The donated land will revert to the village at the termination or end of the water project.

The donated land will be evaluated by CSSF for presence of suitable aquifers for sustainable water supply. If the land is determined to be not suitable for sustained water supply, the village will be required to donate another area for evaluation before the project can be initiated. Failure to donate another area in a timely manner may delay commencement of the project.

CSSF does not offer any expressed or implied guarantees/warranties on the success of the water project to the village. The village agrees to indemnify and hold CSSF harmless as to the outcome of the water project.
